### **Restaurant info:**

Gainesville has many excellent restaurants. In the past, we have listed many, but they have become too numerous to list! Most of the restaurants are located on the following highways/roads.

Hwy 53 (Dawsonville Highway)

Hwy 369 (Jesse Jewell Parkway - which turns into Browns Bridge Road)

"Colonial Lakeshore Mall" located on Hwy 52 and Pearl Nix Parkway

There are also some excellent places right on the Gainesville "square". There is anything from an excellent grill/sandwich places/right up to fine dining! All within walking distance to the Mountains Center.

If you a favorite restaurant, we suggest that you check out their web site. Most web sites have a "store locator". You can see if your favorite place has a location in the Hall County area.

See you in May!
